

About COSSA

The **Consortium of Social Science Associations** (COSSA) is a nonprofit advocacy organization working to promote sustainable federal funding for social and behavioral science research and sound federal policies that positively impact the conduct of research. We serve as a united voice for a broad, diverse network of organizations, institutions, communities, and stakeholders who care about a successful and vibrant social science research enterprise.

COSSA represents the collective interests of all fields of social and behavioral science research, including but not limited to sociology, anthropology, political science, psychology, economics, statistics, language and linguistics, population studies, law, communications, educational research, criminology and criminal justice research, geography, history, and child development.
